Gensim defaults
PNAS settings
Schakel & Wilson settings
theory: optimum of the objective (all settings)
(a)
Seen in published vectors (PNAS, Murray et al. 2023)
norm / mean norm
organization size (mean yearly authors)
(b)
Also in text: physics abstracts (Schakel & Wilson 2015)
norm / mean norm
word frequency
(c)
Also in a real network (BlogCatalog, Tang & Liu 2009)
norm / mean norm
node degree
(d)
Even where theory predicts equal norms (synthetic BA graph)
norm / mean norm
node degree
